We represent and assist local and foreign individuals for voluntary, out of Court resolution of disputes and payment of compensations arising from insurance events in front of insurance companies or the Guarantee Fund. "Djikov, Tzonkov & Partners" has agreements with the insurance company "Vitosha" AD, now part of UNICA Group, Austria, the State Insurance Institute and others to represent, in front of them, individuals with insurance compensation rights.

We will insure local and foreign individuals' representation in front of the Court, the Court of Arbitration and the Mediator in case of a dispute with an insurance company that cannot be resolved voluntarily.
