

Legal Real Estate Transactions – if you are buying you would like to be certain that the property you have chosen will become a property your own without any encumbrances and legal disputes. If you are selling you would want a guarantee that you will receive the price you have determined. If you want to provide part of your plot so that you can receive part of what has been built on it, you would like to be certain that you will receive the part that has been promised to you.

Building Contracts – if you are a builder, building contractor, investor, owner wishing to receive compensation for the property he/she has offered for construction, then you are a party in such contract. We will assist you in entering the contract as well as in the preparation and the completion of any real estate transactions and the preparation of preliminary and final real estate transaction contracts.
